

CAMP CONNECTION

Healing, Laughter, and Meaningful Connection

Join us for Camp Connection, an exciting one day retreat for children who have received services at The Children's House!

This thrilling event is held at Pine Cradle Lake, and it is completely FREE for families. Children age 6-12 are eligible to attend. The day includes activities like paddle boating, tie dying t-shirts, and crafts and activities with therapeutic goals. Our activities will help teach the children about breathing techniques, mindfulness, communication, and more! We provide snacks through the day and serve lunch, then they end the day at the pool and splash pad!
